

# Elspa Summer Menu

## ULTIMATE MICROPLUS FACIAL

Just like gym for the skin. This clinical-grade treatment is suitable for all skin types and concerns, including acne, fine lines and wrinkles, pigmentation and congested and dull complexions. It uses Microdermabrasion which deeply cleanses and buffs away dead skin, then Sonophoresis which infuses for immediate and long-term results. **\$150.00**

---

## ULTIMATE HYDRATION SPA FACIAL

Super hydrating facial to pump and hydrate dull and dehydrated skin, leaving a bright and younger-looking complexion. **\$150.00**

---

## ULTIMATE ENERGISING SIBERIAN GINSENG FACIAL

This energising treatment is ideal to boost the skin's vitality restoring energy and luminescence. Siberian Ginseng, the key active ingredient, is supported by other synergistic ingredients which help create a stronger collagen network improving the skin's hydration and light reflecting properties, resulting in improved radiance and vitality. **\$150.00**

---

## UPGRADE YOUR 'ULTIMATE' FACIAL WITH:

- Eye Treatment \$35
  - Clinical Peel \$35
- 

**For best results:** The recommended professional homecare products should be used throughout a course of treatments.
